Dame,

Thank you for your submission of *"The Golden Shoes" / "Gasoline Demo"* to the Other Venice Film Festival.

Congratulations! After viewing your film, our Programming Committee has decided to accept your production to this year's festival. Our decision was based upon the innovative, enlightening and entertaining nature of your film, taking into consideration both style and subject matter.

We ask that you please read and sign the following approval letter to give us permission to screen your film and inform us of your interest in attending the festival. Upon receiving your letter, we will prepare your O.V.F.F. Filmmaker ID which you will receive when you check-in at the Electric Lodge during the festival. Besides yourself, you may also bring a guest to the screening of your film, free of charge.

Thank you once again for submitting your outstanding production. We hope to see you in October.

All the best,

*Michael*
